

Jarrahdale Primary School **Uniform Policy**

Wearing the Jarrahdale Primary School uniform plays an important part in establishing a positive community identity and contributes to the creation of an appropriate work ethic.

Acceptance of enrolment at Jarrahdale Primary School assumes an agreement between the parent and the student that the student will dress in accordance with the school's uniform policy. Every student is expected to comply with the uniform policy in the same way that they are expected to comply with the rules relating to classroom behaviour, punctuality and so on.

Guidelines

Students are to wear the designated uniform during school hours, to and from school, and while attending school excursions. Parents are asked to cooperate by ensuring that students wear their uniform to school every day. It is the expectation that students will be dressed in uniforms that are clean, neat and tidy at all times.

Uniform Requirements (refer chart over page)

- Uniforms are to be clearly labelled with student's name. Names must not be visible when while wearing items.

Consequences for Breaching the Jarrahdale Primary School Uniform Policy

When a student is out of uniform, the following action will be taken:

- The student will be asked to report to the Administration Office to change into an appropriate uniform item and remove the non uniform item.
- Parents will be contacted to deliver the appropriate uniform item.
- The non uniform item will be returned to the student at the end of the day.
- Students will be asked to removed jewellery, make up, nail polish and fashion accessories if they arrive at school wearing these items.
- Students will receive a Minor behaviour consequence for wearing inappropriate items unless a note is received from a parent/caregiver stating an appropriate reason.
