**Interschool Carnival**

**GO Jarrahdale!**

Congratulations to our interschool team for their great effort

---

Choose Respect - Apologise when you do not treat others with Respect
On Friday, 2nd November the students were rewarded for positive behaviour. They participated in a range of fun activities such as bubble blowing, ooblek, obstacle course and dancing.

**Presentation Night Donations - Crisis Care**
Each year the students collect items for donation to a non-profit organisation in the local area. A hamper will be put together and presented to the organisation at the Presentation Night.

This year we are collecting for Crisis Care. We are requesting donations of either toiletries or pet products. Toiletries may include a toothbrush, paste, face washer, towel, deodorant, soap, shampoo etc. Pet products may include food, bedding, toy, collar, brush, bowls etc. All items will be stored in the office until Presentation Night.

**SAKG - COOKING**
Thank you to our volunteers who help with cooking and gardening. Your assistance allows students to work in small groups and fully participate in this wonderful program.

**Morning tea Thursdays**
Iona and Petra are continuing to provide delicious, nutritious morning teas this term each Thursday. All items are $1.

**Interschool Carnival**
Thank you to John Henry and Paul Gallagher for marking the town oval for the event. Thank you to the parents who attended to cheer on our school.

Congratulations to all of the students in our interschool team. This year, Jarrahdale came 2nd in team games and in the meritorious shield. It is always wonderful to see our students demonstrating good sportsmanship and representing our school in such a positive manner.

Well Done!

Year 1 Champion Girl - Sienna
Year 2 Runner up Champion Boy - Ben
Year 3 Champion Boy - Max
Year 4 Champion Boy - Denzel
Year 5 Runner up Champion Girl - Indiana
Year 5 Runner up Champion Boy - Tyler
Year 6 Runner up Champion Girl - Holly

Julie Denholm & Rebecca Instance
Principals
This term the students in Room 4 are learning all about pirates. As we delve into our exciting topic, we are all surprised at how quickly the term is flying! We have achieved many things this term and have lots more planned before the end of the year. Pirates have been incorporated into many areas of our learning such as English, Art and Technology & Enterprise. We have written about some of the activities we are excited about!

In English we have been researching how pirates are represented in books including what they look like, how they act and how they compare to us. We have used lots of adjectives to describe the pirates and are constructing ‘Wanted’ posters to search for dangerous pirates. The setting for a pirate story is very important and this week will be begin looking at where the stories take place, which will lead to each student creating their own story map based on a book.

We have discovered different types of poetry including acrostic poems. We have included an example of an acrostic poem.

The students have all been given a task to build a pirate ship that will float for 5 seconds. We will use our technology & enterprise lessons to discuss properties of materials, design and build a pirate ship. When we have finished we will be able to test our ships to see if they float. We all hope that they will!

In art we have made our own pirate hats, decorated our pictures so we look like pirates and we are going to make parrots.

We made up pirate names!
- Stump Eye Bart
- Cold Foot Bob
- Jolly Tooth Ann
- Red Boot Gert

Parrot
Island
Ropes
Angry
Treasure
Eye patch
**Open Garden & Sausage Sizzle Fundraiser**

We are looking for volunteers to assist at a local open garden on the weekend of 10th and 11th November from 10:00am to 4pm. All funds raised will go toward further developing school programs. A timetable is in the office. Please contact the office and nominate a time you are able to assist. We also require donations of cakes and biscuits to serve and sell at the event. Thank you.

---

**SAKG**

It is a busy time in our garden. Last week we harvested over 100 potatoes and this week, we dug carrots and onions. We have been replanting with eggplants and capsicums, making sure we revamp the soil with cow-poo and other organic yummies. Our sprinkler system has been fixed and we are ready for the long hot summer.

If you have any spare time on a Tuesday morning, we would love to have you join us in the garden. Please call me at the school for more details.
