NUDE FOOD DAY

Kelisha and the other students ate delicious nude food for recess and lunch.

Congratulations and thank you to families for providing “Nude Food” on our first Nude Food Day for 2015.

The amount of waste we saved on the day was amazing.

SHOCK PROOF

Students participated in a Western Power incursion which provided information on electricity and electrical safety.

Grace’s nose was used as a switch to create a circuit which turned the lights on and off.

The whole class joined hands to create an electrical circuit.

Cockatoo Recovery Centre - Fundraiser

Students raised $120 to help support the Kaarakin Black Cockatoo Conservation Centre. Thank you everyone for your donations and to Harvey for providing information and encouraging the school to support the event.

School Board Nominations
We are now calling for nominations for the Jarrahdale Primary School, School Board. If you are interested in a position on the school board please complete the tear off slip on the back of the newsletter and return it to the front office.

Nominations close on 17 March 2015. Thank you.

Role of the School Board
Take part in:
• establishing and reviewing from time to time, the school’s objectives, priorities and general policy directions;
• planning financial arrangements necessary to fund those objectives, priorities and directions;
• evaluating the school’s performance in achieving those objectives, priorities and directions;
• formulating codes of conduct for students at the school;
• take part in the selection of, but not the appointment of, the school principal or any other member of the teaching staff.

Nude Food Competition
Thank you to the students who entered the Nude Food Poster Competition. The winners received a Wastewise drink bottle. Congratulations to:
K/PP: Jack, Alyssa and Peter
Room 1: Phoenix and Garnet

School Closure for Parent Conferences
Each class teacher will be holding parent conferences at the end of the term to discuss your child’s progress to date. Interviews will be 10 minutes long and will commence from 12 noon on Thursday 26 March and Monday 30 March.
To conduct these conferences the school will be closed from 12 noon on these dates. A letter will sent confirming appointment times.

Easter Hat Parade
The parade will be held on Thursday 2 April in the under cover area at 8.45am. Hats are to be made at home using recycled materials. No chocolate eggs or live animals are to be used as decoration. The student councillors will host the parade and will vote on the following categories for each class:
• The wackiest hat.
• The prettiest hat.
• The most creative hat.
• The most “WOW” hat.
Families are invited to attend the parade.

Bush Fire Evacuation
As we are in a high risk bushfire zone we have been reviewing and practising emergency evacuation procedures with all staff and students. Students take part in regular practise sessions throughout the year.

Waste Facts
Did you know …
• it takes 214 recycled plastic milk bottles to manufacture a 240 litre wheelie bin from recycled plastic?
• recycling one glass jar saves enough energy to light a globe for 4 hours?
• our household waste is taking up landfill spaces and creating greenhouse gases, impacting on marine life, contaminating land and wasting valuable resources?
The students in Room 4 have been very busy over the last six weeks in all curriculum areas. Students in our room learn through a variety of ways including participating in hands-on activities, through the integration of ICT, music and movement, interactive mat sessions and guided activities at their desks.
P&C ASSOCIATION

Book Club: Issue 2 orders, with payments, to be received by Wednesday 18 March 2015.

SCHOOL NURSE

Nurse Helen's Tips on … bike safety!

Riding a bike is great fun and good exercise for children and teens. Here are a few tips to keep your children safe while cycling:

- Always supervise children under 10 years of age.
- Teach your child the rules of the road before they ride by themselves.
- Riding in the driveway should not be encouraged – it is a common place for nasty accidents. Children need to know that driveways can be dangerous. Teach your child to stop at the end of the driveway, look, listen, and think about whether it is safe to cross.
- Make sure your child has a helmet that fits correctly. Helmets should be worn at all times when riding. Parents should set a good example by wearing a helmet themselves.
- Make sure your child’s bike is in good condition.
- Fit bikes with appropriate reflectors.
- Make sure your child wears bright coloured clothing when riding.
