During our final assembly for the year, the recorder ensemble performed a few pieces, including *Canon by Pachelbel*. Congratulations to all of the students in the ensemble for their wonderful performance and to Ms Pagotto for working with the group to develop their skills.

In recognition of the support Mundijong library receives from our school and our families, and our contribution towards Mundijong library being awarded the title of WA's Favourite library this year, Lisa presented our school with a book at our assembly on Monday 17 November. The book, ‘Arthur’s Letter’ will be on display in our school library for students and parents to view. Thank you to Lisa and the Mundijong library staff for their ongoing support of our school.

Information Evening about class structures
Parents & Guardians are invited to attend an information evening on Wednesday 3 December from 7 - 8pm in the school library. The session will provide an overview of:

- Class combinations and structures for 2015.
- Programs catering for our student needs.
- Staffing budget for 2015.
- Staffing process.
- Timetabling for specific programs.

Please note the purpose of this session is to provide an overview of the areas above. An opportunity to make an appointment regarding specific child/ren will be available.

Presentation Night Pet Care Donations and People Toiletries Donations- Crisis Care
Each year the students collect items for donation to a non-profit organisation in the local area. A hamper will be put together and presented to the organisation at the Presentation Night.

This year we are collecting for Crisis Care. We are requesting donations of pet products which may include food, bedding, toy, collar, brush, bowls etc. We are also requesting toiletries that are packaged and provided to families in need. Toiletries may include soap, toothpaste, powder, deodorant etc. Donated items can be well loved but in good condition.

All items will be stored in the office until Presentation Night.

Voluntary Contributions 2015
The voluntary contributions for 2015 have been included in this newsletter. These are the costs that parents may incur during the school year. Please see the School Registrar if you have any questions.

Booklists
Booklists will be coordinated through the Byford Newsagency again this year. Last week, students were provided with a 2015 booklist which will need to be submitted to the Byford Newsagency if you are paying in cash or handed into the office. Delivery information is on the booklist. Spare copies are available from the office.

Library Books
Library book borrowing has now finished for the year. Please make sure all books are returned to the library this week. Thank you.

First Aid Incursion
Students from K to year 7 recently participated in a St Johns First Aid session. Students in Room1 learnt about the importance of the recovery position along with may other basic First Aid skills.

Presentation Night 2015
Presentation Night will be held on Wednesday the 17 December from 6 - 7:30pm. The doors will open at 5:15pm. Seats are not to be saved prior to this time. All students are asked to be at their classrooms by 5:30pm for final preparations. Families are encouraged to bring along their own chairs. A reminder that this is a non-smoking and alcohol free event.

The SAKG committee will be providing supper for a donation after the proceedings for everyone to enjoy.

Candy Canes
Students enjoy giving Christmas cards to other students however please remember that candy canes are not to be included. We encourage healthy foods within our school and while we expect occasional treats, the number of candy canes students have received in the past is excessive. The amount of sugar students consume with additional candy canes and other confectionary often affects their behaviour at school.

School Development Days 2015
There are 6 school development days in 2015. Students are not required to attend school on these days. Staff will be involved in whole school planning and professional learning sessions. Please note these dates in your calendars for 2015.

29th January 2015
30th January 2015
20th April 2015
20 July 2015
12th October 2015
18th December 2015
We can’t believe the year is almost over! This term is fast disappearing.

In the last couple of weeks, students have been exploring Australia and other countries around the world. We have created passports, painted African lions, carried out computer research on Antarctica and more!

We also had a First Aid course where the students learn how to deal with emergencies.

Of course, Christmas is coming too. We have just begun our Christmas activities. Please come in and see our lovely work!

Jenna from the City of Perth History Centre also came for a visit. Students learnt about the importance of preserving old photographs and studied old maps to see how Perth has changed and developed over time.
We have been out in the garden monitoring our “slater restaurants” this week. A slater restaurant is a yummy pile of slater food (compost, old fruit, eggshells, unwanted sandwich scraps, manure, leaves etc) placed in an upturned plant pot at the end of our garden beds. The idea is that the slaters would rather eat in our swanky restaurants, than graze on our newly planted seedlings …. and so far our fine dining venues seem to be working. Today we collected over 150 slaters (and created a pop-up café for the chooks – main course: relocated slaters). Thanks to Fynn, Angus and Oakley for their enthusiastic restaurant building skills.

Kitchen blitz
Just a reminder that our next kitchen buff and blitz is on the 11 December from 1-3pm. We hope to see you there.

Presentation night supper
Supper at this year’s presentation night will be made by the Stephanie Alexander Kitchen Garden Committee. The committee will stave off hunger pains by selling marvellous homemade scones, gluten free cake, tea and coffee. Please keep some space in your stomach and a few dollars in your pockets (and don’t worry about bringing your own plate of food).
