Staff Commence Term 4

Tuesday 13 September  
Students Commence Term 4

LEARNING JOURNEY

Thank you to all families for attending the school Learning Journey Evening. This opportunity allows parents to share their child's learning.

Thanks Clifford for making a surprise visit to support the Book Fair, a big "Woof!" to you.
Interschool Carnival
Thank you to all families for supporting the students at the Interschool Carnival and for your assistance on the day.

Congratulations to our Interschool team for their effort and commitment to training this year and during the carnivals.

A special mention goes to Luke and Phoenix R for receiving runner up champion medals and to Ellie A for her championship trophy.

In 2016 Jarrahdale Primary School will be hosting the Athletics Carnival.

The Great Aussie Crunch
Our school made an amazingly loud “crunch” on Wednesday the 16th of September, The Great Aussie Crunch Day. Well done!!

Staffing 2016
To ensure the school can be staffed accurately and class combinations created to best suit each child's academic and social needs, it is important the office is informed before the end of term 3 if your child will not be attending Jarrahdale Primary School in 2016.

Canning Vale Waste Centre (RRRC) excursion
We are looking for a few more parent helpers in the senior class to attend the Waste Wise excursion on this Thursday the 24th of September. If you are available to assist please contact the office ASAP.

Book Fair
Thank you to everyone for supporting this years book fair. A special “hoorah!” goes to Yvonne and Jan for coordinating the event.

Pre Kindy/ Playgroup
We are continuing with our Pre Kindy/Playgroup on Thursday morning from 9:30 until 11:00. We have a few spots available if there are any interested families. The program contains a structured session as well as provides opportunities for learning through play and socialisation.

We are also taking expression of interest children turning 3 in 2016.

Holidays
Students’ last day for Term 3 is this Friday 25 September. We hope everyone has a relaxing and safe holiday.

Term 4
Teachers return to school on Monday 12 October for a school development day. Students return to school for Term 4 on Tuesday 13 October. We look forward to seeing everyone.

Julie Denholm, Principal
We have been very busy this term. The students participated eagerly in our first aid training. It was amazing how quiet they are in the recovery position. They also presented a wonderful assembly item which promoted a positive self worth message to all the boys and girls.

Our maths has focused primarily on fractions and money this term and the students have particularly enjoyed selecting and purchasing grocery items from the local IGA catalogue. Liquids, solids and mixtures has been our Science content and it was great to see and hear the students making predictions about freezing and melting points. We also had fun learning all about physical reactions when we made play dough.

During Art we have made mosaic Earth Aware animals, created 2D crayon art and begun our 3D perspective pieces.
COMMUNITY NOTES

Book Club - Issue 6 orders have been received and will be distributed this week.

Book Fair
Thank you to everyone who purchased books, our Book Fair was again an outstanding success with over $2,100 of sales. We raised a total of $701.00 in sales commission to purchase books for our school library.

We would like to thank the Galvin and Peyton families for their generosity in donating books to the library.

Clifford, the big Red Dog from Scholastic was our special guest at the Learning Journey. He enjoyed meeting and spending time with all our students and families. Thank you to Simon Bowers for arranging Clifford’s visit. Thank you to Karen Monkman for volunteering her time at the cashier desk and to the student councillors who assisted in the setting up of the Fair. Your help is greatly appreciated. Thank you to the wonderful Jan Johnson for her continuing support of our Book Fair. Her enthusiasm and personal time given greatly contributes to the success of this annual event.

Those families who have books on order, these have been placed with Scholastic and will arrive, hopefully, before the end of term.

Congratulations to our Book Fair prize winners: Shaun, Phoebe, Ellie, Colm, Michael and Tom. Enjoy reading your chosen books.

WEST BYFORD DENTAL THERAPY CENTRE

We are closed for the first week of the school holiday. For emergencies during this week please call the Westfield Park Dental Therapy Centre on 9390 8434.

As you are probably aware, our clinic roll is enormous due to the exceptional growth in the Byford area. We are endeavouring to work our way through the recall list. Your dental appointments are posted home, so please ensure your contact details are correct. If you are unable to keep an appointment please let us know as soon as possible so that the appointment can be given to another patient.

Happy brushing, Kay and Rennae
