Intermediate Girl 4th - Chloe
Champion Intermediate Boy - Seamus
Champion Senior Girl - Lalah
Runner Up Senior Girl - Skye

PJ DAY FUNDRAISER

Room 4 recently held a fun and snuggly PJ day to raise funds for the SAKG cooking and gardening program. They raised $113! Thank you everyone for your donation!
FROM THE PRINCIPAL’S DESK

Kindy Enrolments 2016
We are now accepting enrolments for Kindergarten in 2016. If your child turns 4 before 30 June 2016 they are eligible to join our Kindy program for next year. Application forms and information packages are available from the office. Alternatively forms can be downloaded from our website, www.jarrahdaleps.wa.edu.au.

Interested parents are invited to contact the school for a tour and discuss the learning programs available at Jarrahdale Primary School.

New Playground

The children are enjoying the new playground equipment. Structures were selected to provide students with the opportunity for creative and imaginative play. We are patiently waiting for the grass to grow over the tunnel so that we can also play in this space.

Sharing of Hats
Students are required to bring their own hat to school. Due to hygiene issues and arguments over hats we are no longer allowing the borrowing or sharing for hats. Students who do not bring a hat to school will play in the undercover areas only. Please ensure hats are clearly labelled. Names are to be only written on the inside of the bucket hat. Thank you.

New Lino in K/PP
New lino is being laid in the Kindy/Pre Primary area from Monday 15 to Wednesday 17 June. Kindy and Pre Primary classes will be held in the music room next door while the new floor is installed.

After School Care
Camp Australia has correlated all surveys returned. Unfortunately there is not enough parent interest for the company to consider running after school care at Jarrahdale PS. They require 8 to 10 permanent children to commence the program.

If there are any parents who did not get the opportunity to return the survey, and would like permanent care, please contact the front office. Camp Australian have indicated that they may reconsider their decision depending on confirmed numbers.

Red Nose Day
Fundraising items ranging from $3-6 are available in the office for purchase, with funds raised going to the SIDS foundation. Please feel free to come in and make a purchase or donation at any time.

Nude Food Day
On Tuesday 9 June we will be holding another Nude Food Day. We have seen some great Nude Food lunch boxes over the term, however we would like to see more.

Nude food is simply food that is not wrapped in foil, plastic or packaging. On Nude Food Day we ask that all student lunch boxes contain no throwaway packaging and produce no food waste.

The goal of Nude Food Day is to continue to educate students about the need to reduce waste.

Farewell and Welcome!
Farewell and thank you to Mrs Krista Reeves for the quality teaching and learning program she has provided the room 4 students during semester 1. We will all miss Mrs Reeves and we wish her all the best as she commences on the journey of becoming a new mum.

Welcome to Mrs Sophia Bowers who will take on the full time role as room 4 teacher and to Mrs Karen Morton who will be taking room 4 for music and a math block session each Friday.

All staff members have been working on ensuring a smooth handover of information. We encourage any parents with questions or queries about the new structure to make arrangements to meet teachers at a mutually convenient time.

Byford Secondary College
A parent information evening for all prospective year 7 students will be held at the College on Tuesday 23 June 2015 from 4:30pm to 6:00pm. If you would like to attend please RSVP by email to sally.lehman@education.wa.edu.au or phone Sally or Linda on 9550 6100.

Julie Denholm, Principal
The students in Room 1 have been very busy. We have travelled across the Solar System in Science. Read, discussed, and analysed a variety of texts in English. We learnt about, and created, number stories, word problems, symmetry, transformation, and 3D objects in Maths.
Nude Food Day
After the success of our first Nude Food Day last term, we are very excited to be holding our second NFD this Tuesday, 9 June. Our Nude Food Days encourage our students to reduce the amount of waste we produce and send to landfill. On Nude Food Day we ask that all student lunch boxes contain no throwaway packaging and produce no food waste. We have posted some great NFD recipe ideas on our website www.jarrahdaleps.wa.edu.au.

Raffle
Thanks to everyone for making a great effort in selling our SAKG raffle tickets. Ticket stubs and money are due back at school on Monday 15 June. If you think you can sell any unsold tickets after this date please let us know.

Food and Farm Fest 2015
Thanks to everyone who braved the weather and visited our stall at the recent Food and Farm Fest in Mardella. While the day was very wild and woolly, we had a cosy spot in the barn and made a nice profit selling our preserves and plants (and raffle tickets, of course!). It was a very well organised event and we had a great time networking with local food growers and producers. We look forward to participating in next year’s “Fest”.

NURSE HELEN’S TIPS ON A HEALTHY LUNCH BOX
Sandwiches are a great lunchtime food because they are so easy to make. There are many different sandwiches you can put together. Consider different breads, (eg. wholegrain, wholemeal, white or rye), and slices of pumpkin bread or fruit bread for something different. You can also choose from a range of shapes (eg. sliced bread, round rolls, long rolls, pita breads or French sticks). The trick to a good sandwich is making sure it does not go soggy. Don’t forget to pack snacks for the morning and the afternoon. Fruits are a great snack to pack either whole, chopped or dried. Last of all - always remember to pack some water.

Your child’s lunch box can contain food from all of the five food groups. The food groups are; breads and cereals, fruit, vegetables, meat/meat alternatives and dairy/dairy alternatives. Some examples can be found at www.nutritionaustralia.org. Healthy lunches and snacks are important for keeping active kids alert and focused and providing them with the nutrition they need every day.

P&C NOTICES

SCHOOL DISCO
Jarrahdale Primary School P&C are holding a disco at Bruno Gianatti Hall, Jarrahdale
Date: 3 July 2015
Time: 5.30 - 7.30pm
