Book Week

Each year, across Australia, Book Week brings children and books together celebrating Children’s Book Week. During this time there are many events on to celebrate Australian Children’s Literature.

Reading with children of all ages regularly is one of the most important things we can all do to support academic learning.

To celebrate Book Week this year students had the opportunity to dress up as their favourite character.

Tree Planting

Thank you to Melissa Matheson and Landcare for organising the annual tree planting morning at the Old Mill Manager’s house. Every students had the opportunity to plant Water Reeds. The students learnt that water reeds help clean the water and provide a safe place for water creatures to live and feed. Thank you also to Landcare for providing morning tea for everyone.
