CHARGES

The term '**Charges**' refers to the extra cost optional activities which are parts of any education programme and which are not covered by contributions. All the items are optional and if no payment is received, an educational activity with a similar outcome will be provided to that student. The estimated costs are at an upper limit and will not exceed this amount. These costs will only occur if the activity is actually undertaken.

Payment will be requested during the school year when costs and participation are confirmed.
