

APPLICATION FOR ENROLMENT (PART A)

PARENT INFORMATION ABOUT APPLYING TO ENROL IN A WESTERN AUSTRALIAN PUBLIC SCHOOL

Thank you for your interest in applying to enrol your child in a Western Australian Public School.

Enrolment in a public school is a two-step process. Parents first lodge an *Application for Enrolment* (attached) with the school. If your child is eligible for enrolment, you will be provided with a *Parent Information Pack* and an *Enrolment Form (Part B)*.

The form is to be completed in English. If you need help including translation services, please ask the school staff about available assistance.

The school will notify you of the results of your application as soon as possible. The information you have provided will be used by the school once eligibility is confirmed.

Documentary evidence, including court orders relating to your child, may be required to support information supplied. Principals may consult with the Regional Education Office where sufficient evidence may not have been supplied.

It is highly recommended not to purchase items such as uniforms until you receive confirmation of enrolment.

The Department's *Enrolment Policy* can be found at <http://det.wa.edu.au/policies/detcms/portal>.

WHO CAN ENROL A CHILD?

Enrolment applications can be lodged by:

1. Parents, defined in the *School Education Act 1999* as persons who at law have responsibility for the long term care, welfare and development of the child; or the day-to-day care, welfare and development of the child; and
2. Independent minors and persons aged 18 years or older who may apply on their own behalf.

The school may require documentary evidence in support of the application. A person with proper authority to make the application must provide the required information. The school is not required to determine whether another parent or person with authority concurs with the lodging of the application or the information included in it.

If there is a dispute between parents or authorised persons about the enrolment or one party requests or has enrolled the child at a different school, then the schools involved should endeavour to maintain the original enrolment and continuity of the child's schooling unless it is clearly not in the child's educational interests to do so, is not possible, or has been determined otherwise by court.

WHO CAN BE ENROLLED?

Permanent Australian Residents and those children holding an approved visa subclass are entitled to be enrolled, although not necessarily at a particular school unless the school has a 'local-intake area' (See applications to local-intake schools below). Those overseas students who do not have an entitlement to enrol in a public school may be enrolled on a full fee paying basis under conditions which the school will outline.

In establishing a usual place of residence, the *Residential Parks (Long-stay Tenants) Act 2006* recognises any agreement conferring the right to occupy premises for a fixed term of three months or longer. Short term residential arrangements can be accepted in cases such as recent arrival in the State, residence in boarding houses and caravan parks, or homelessness.

Schools may not enrol children who are:

1. Receiving home education; or
2. Applying to enrol at another school; or
3. Enrolled at another Kindergarten (public or private), unless transferring.

The principal may consider whether a child may attend for a short period (s 75(2) *School Education Act 1999*) and may consult with the school in which the student is already enrolled before a decision about attending is made. Attendance for more than four weeks requires that the student relinquish enrolment at the school in which the student is already enrolled.

WHERE CAN STUDENTS BE ENROLLED?

The enrolment requirements differ from school to school. Local-intake schools have a designated geographical area from which enrolments are taken. Local-intake schools must accept all applicants from within their defined area, subject to residential qualifications. Non local-intake schools may receive applications but not necessarily enrol all applicants (see below for further advice on applications to non-local-intake schools).

If you are unsure whether the school you applied for has a local-intake status, you may check the *Declaration of Local-Intake Area for Schools* on the Department's policies website at <http://det.wa.edu.au/policies/detcms/portal>, or contact either the principal of the school or the Coordinator Regional Operations at the local Education Regional Office.

APPLICATIONS TO LOCAL-INTAKE SCHOOLS (COMPULSORY YEARS OF SCHOOLING)

Where the school has a local-intake area, an eligible child whose place of residence is within that area is guaranteed enrolment in the compulsory years of schooling (Pre-primary to Year 12).

Children whose usual place of residence is not in the local-intake area are accommodated where possible. If the school has further capacity to accommodate children from outside the local-intake area, after making provision for local-intake area needs, the following selection criteria are to be applied in considering applications for enrolment.

FIRST PRIORITY	SECOND PRIORITY	THIRD PRIORITY
Child qualifying for an approved specialist program for that year.	Child who has a sibling also enrolled at the school in the current year, (other than siblings enrolled in specialist programs), and who lives nearest the school.	Child who does not have a sibling enrolled at the school in the current year, or who has a sibling enrolled in a specialist program, and who lives nearest the school.

APPLICATIONS TO LOCAL-INTAKE SCHOOLS (PRE-COMPULSORY YEARS OF SCHOOLING)

Students in the pre-compulsory year of schooling (Kindergarten) are guaranteed a place in a public school. Where possible this will be their local school. The following selection criteria are to be applied in considering applications for enrolment:

FIRST PRIORITY	SECOND PRIORITY	THIRD PRIORITY	FOURTH PRIORITY
Child residing in the local-intake area who has a sibling also enrolled at the school in the current year, and who lives nearest the school.	Child in the local-intake area who does not have a sibling enrolled at the school in the current year, and who lives nearest the school.	Child not residing in the local-intake area who has a sibling also enrolled at the school in the current year, and who lives nearest the school.	Child not residing in the local-intake area who does not have a sibling enrolled at the school in the current year, and who lives nearest the school.

Where the school does not have a local-intake area and the number of applications exceeds the number of places available, the child living nearest the school will be given priority. Parents applying to enrol their children in specialist programs and siblings of children already enrolled at the school do not have priority over those children living nearest the school. That is, proximity to the school is the only criterion to be used in non-local-intake schools.

LODGING APPLICATIONS AND ENROLMENT FORMS FROM LOCAL-INTAKE AREA STUDENTS

Families residing in the local-intake area may lodge the Application for Enrolment Form and the Enrolment Form concurrently, with the agreement of the school.

APPLICATIONS FOR STARTING SCHOOL AND FOR THE FIRST YEAR OF SECONDARY SCHOOL

Parents are encouraged to apply by the closing date in the year prior to attending, even if the child is of compulsory school age (Pre-primary to Year 12) and is guaranteed a place in the local school. This assists schools with planning.

For children of compulsory school age wishing to enrol at a school that is not the local school the closing date for applications for the first round of offers is the first Friday in Term 3 of the previous year.

For children starting in Kindergarten the closing date for applications for the first round of offers is the first Friday in Term 3 of the previous year.

Applications may still be made after this date and will be considered on a case by case basis, in accordance with the Department of Education's *Enrolment Policy* which can be found at <http://det.wa.edu.au/policies/detcms/portal>.

Suspensions and exclusions

Information on any suspensions and exclusions needs to be provided to the school at the time of applying to enrol. This information will help the school to provide your child with any support that may be required.

Children currently under suspension from a public school cannot be enrolled at another public school until the suspension period expires.
